OAKHILL NEWS

February 2nd 2018

Dear Parents,

We welcomed members of the Central Team and every teacher from our Trust Hub on Wednesday this week. We met to reflect how important our values and ethos are to the development and well-being of every child and adult in our schools. Everyone was complementary about our school environment, particularly the displays relating to Just One Book. The children are excited about the opportunity to dress up as characters from their class book on Monday and will have the opportunity to share their excitement with other classes during the afternoon.

It has been wonderful to replenish and reinvigorate our playtime resources. Children are enjoying different games and activities, as a result of new equipment. Having the new storage facilities on the playground and field, allows children to access the variety of resources independently which is making playtime more fun and creative.

Next term our whole school enquiry topic will centre around The Mystery of the Galaxy. We are hoping to host a mobile planetarium for a day, when all classes will be able to explore, investigate and experience the wonder of space. We know that this will create enthusiasm and excitement which will impact learning in many subject areas. More details to follow next week.

We look forward to welcoming you at Parent Voice on Monday 5th and on Tuesday 6th February for our Showcase. Showcase will give you the opportunity to see the learning from this term's topic as well as Maths.
