**Waiting list policy and procedure:** A child is placed on the waiting list in the order of the date on which a registration form is received by the School. Please note that places are subject to availability and your registration does not guarantee you a place within the nursery. Places usually become available based on children leaving and are subject to room capacity. Oakhill Church School Nursery reserves the right to prioritise nursery places to children currently on the role and their siblings. The parent/carers is responsible for ensuring that we have up to date email/telephone and address details to ensure that contact can be made. Once a parent/carers has been offered a place for their child they will be given a deadline date to confirm the place. Failure to confirm the place by the deadline date will result in the place being offered to the next child on the waiting list. Please note that there is **no** automatic entry to Oakhill Church School, normal school application systems apply for Reception.
